

March 20, 2007

The Committee wishes to reiterate that its Best Efforts procedures are as follow: The Libertarian National Committee (LNC) requests address, employer, and occupation information from all contributors whose yearly aggregate contributions exceed \$200.00 and informs them of the requirement of complying with 11 CFR 104.7(b)(1). In the event that the information is not supplied as a result of the initial request, Committee makes a subsequent attempt to collect the information by mail, email, or telephone contact within 30 days of the initial contribution. This 'follow up' request a) clearly asks for the missing information without requesting a contribution, b) informs the contributor of the requirements for reporting such information under federal law, and c) is enclosed with a pre-addressed envelope when sent by postal mail. If the information is submitted after the initial monthly report is filed, the contributor master file is updated and the information is corrected in a subsequent amendment filed by the next regularly scheduled reporting date. The Committee also makes periodic requests during the year for all contributors to update their contact information and for contributors whose yearly contributions aggregate to more than \$200 to update their Employer/Occupation information.

The Committee obtained no additional information regarding itemized contributions disclosed on the February 20, 2007 Monthly Report for activity occurring from January 1, 2007 through January 31, 2007 submitted February 20, 2007; therefore, no 'Best Efforts' report has been submitted for contributions received during that period.

Sincerely,

Aaron Starr
Treasurer
